50cc Diaper Run 2016

Coast to Coast in less than 50 Hours while collecting diapers and raising awareness for the Royal Home Ministries and IPHC's commitment to LIFE

This is to Certify that in July of 2016, Gary Burd rode a 2010 Harley-Davidson Heritage Softail from the Pacific Ocean at San Diego, California across mountains, deserts, vast plains, bayous and swamps to reach the Atlantic Ocean at Jacksonville Beach, Florida in less than 50 hours to qualify for the Iron Butt Association's elite 50cc Quest certification.

This 2,373 mile test was conducted under very strict guidelines set forth by the Iron Butt Association. Only a handful of riders from around the world have managed to solve the equation of time and distance to complete the 50cc Quest.
